Conference Description

The 2012 SJV Chapter, NAPNAP conference will focus on child and adolescent mental health issues relevant for the primary care provider and other healthcare practitioners who work with children and adolescents.

Session Objectives

Upon completion of this program, the participant will be able to:

1. Screen, evaluate, and treat adolescents for mental health needs.
2. Discuss the scope and impact of children's mental health problems.
3. Identify the characteristics of bullies and their victims
4. Identify resources available to help the child with mental health needs.
5. Recognize the symptoms of psychosis, depression, anxiety, and mania in the pediatric patient.

Saturday, February 25, 2012
