PO Box 26912  
Fresno, CA 93729

## Presenting Faculty

**Renee P. McLeod PhD, APRN-BC, CPNP**  
Founding Dean of Brandman University's new School of Nursing and Health Professions, Dr. Renee McLeod, is a nationally recognized expert in the area of handheld point of action technology to advance interdisciplinary education of health care professionals and to support evidence-based practice.

Dr. McLeod has been a pediatric nurse practitioner for over 30 years, and maintains an active practice in San Diego where her patients tell her what is really important in the field of health care. Prior to joining Brandman, Dr. McLeod served as the Director of the Office of Transformational Technologies and Organizations and Director of Graduate Education and Advanced Practice Programs in the College of Nursing & Healthcare Innovation at Arizona State University.

Her current research and consulting focuses on transforming health care clinicians, educators, and researchers into digital citizens, or as she puts it, "Education 2.0 for Nursing 2.0 using Web 2.0 and your phone".

## Session Topic

This session will introduce you to the NAPNAP website and provide you with information regarding DNP program options.

## Session Objectives

At the completion of the lecture the participants will be able to:

1. Navigate the NAPNAP website with ease.
2. Obtain professional information from the website.
3. Access educational offerings available through the NAPNAP website.
4. Research options available for DNP degree.
